

INTRODUCING
SLIMO

The Slimo creates a harmonious
and mood pleasing lighting experience.

The Ultra Slimo Panel light brings a unique elegance in a thin compact flat panel design. Designed to be suspended from a ceiling you will love the amount and coverage of this light. The specially designed housing is stylish and fashionable but solid and firm so it will not sag like traditional panels lights can.

The
Ultra Slimo Panel
light is a can't miss for
any open area. You will love how
this light has transparent Opal optics
so the panel will provide light both
up and down accenting the room
ambiance and décor.
